Von Tami Hoag : Sarah's Sin (Loveswept) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sarah's Sin (Loveswept):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Very

enjoyable! Von Ein Kunde This had to be a pre-runner of Tami's mystery writing and, as fictional romance goes, I thoroughly enjoyed it. This story covers two totally different people, from different backgrounds and cultures who come together to find the two things they need most - LOVE and getting over the hurdle of being "different". Sarah, a young Amish widow, trying to understand her "non-Amish" feelings and yearnings, who works at a local country inn. Matt, a cosmopolitan doctor from the 'big city', who is recuperating at his sister's inn from injuries. They meet, and, although forbidden by her religion, they fall in love and try to hide their feelings. What better way to spend a rainy day, than to curl up with this book? 0 von 0 Kunden fanden die folgende Rezension hilfreich. I'M GLAD SHE CHANGED HER STYLE Von Ein Kunde I read "Cry Wolf", "Guilty as Sin", "Night Sins" and "Thin Dark Line" before I read this one and I'm sure glad Tami found mysteries to write about. I'm not a lover of romance novels and didn't even finish this book. I guess I expected this book to be the same as the others. Not so! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Must Read Von Ein Kunde This book was great. I read it in one day. It brought you into the world of how the Amish lived, and what happened if they married out of their religion. The love story was unforgettable

Kurzbeschreibung From award-winning author Tami Hoag comes a warm, moving story of two cultures in conflict and two hearts in love. Matt Thorne had come to his sister's rural inn to recover from an injury far from the city and his fast-paced life as an emergency room physician. Drifting between sleep and waking, Matt didn't trust his eyes when he saw the young woman who sat at his bedside in her plain cotton dress and apron, her chestnut hair tucked demurely beneath a white bonnet, like a beautiful vision from the past century. Sarah Troyer had been warned about the womanizing Dr. Throne, but nothing prepared her for the shiver of desire that shook her to her core when she gazed at him. Though her life was bound by the simple Amish way, Sarah had always longed for the world outside. Her job at the inn already branded her as a rebel in her community, and falling in love with a stranger would mean the loss of her family and the only life she knew. Yet something sparked within her with every touch of his hand, each glance from his dark eyes. Sarah was willing to allow herself a brief, secret adventure in the arms of a forbidden man. But she hadn't counted on Matt's passionate love a love that would not let go, a love that could cost them both everything they knew.... From the Paperback edition.
