PrimaVon er-der-vorangehtSehr interessantes Buch, das hoffentlich zeigt, da auch im konservativen Teil der USA liebe zwischen Mnnern mglich sein kann. SasquatchVon IchHabMeinSachAufNichtsGestelltLove between two very tough men in the East seems to be very difficult - until it isn't. Both main characters, Jack and so-called Sasquatch whose name is Dave, are kind of sweet and written with heart. The story isn't uncommon, but it's nice to read and truly enjoyable.

KurzbeschreibungJacks quite happy with his life until Lonnie Cahill gets in his face, spouting off about the gay mag he found in Jacks truck, outing him in the little red-neck town of Lithonia, Georgia. Jack can take care of himself, but help arrives from an unexpected sourcehis neighbor, Dave, a man-mountain also known as Sasquatch, for obvious reasons. So when Dave turns up at Jacks home needing his help, Jack is more than happy to oblige, even if he does have company, his current love interest.Dave gets more than he bargained for when he peers through Jacks bedroom door. And things get really interesting when he suddenly find himself dealing with two guysand a whole new world of experiences. When morning comes, its just him and Jackand the start of something wonderful that will change both of their lives forever.KurzbeschreibungJacks quite happy with his life until Lonnie Cahill gets in his face, spouting off about the gay mag he found in Jacks truck, outing him in the little red-neck town of Lithonia, Georgia.
