ber den Autor und weitere Mitwirkende Karen Docter writes two different kinds of romance novels.... Contemporary Romantic Comedy w/a Karen Docter: *Romance...With a Kick of Humor!* <http://www.karendocter.com> Romantic Suspense w/a K.L. Docter: *Women hunted by killers...men who'd die to protect them.* <http://www.kldocter.com> Karen's contemporaries are cute romantic comedies. She loves writing about real men and women with dreams and goals that don't allow for a relationship just so she can throw them in each other's path...with a tickle and a smile. Her romantic suspense novels (as K.L. Docter) are also filled with romance, although the dangers the hero and heroine face are intense, usually because a serial killer is bent on ending one or both of their lives before they can fall in love. These are psychological, woman-in-jeopardy stories. Karen's an award winning author, a four-time Romance Writers of America Golden Heart finalist, and won the coveted Kiss of Death Romance Writers Daphne du Maurier Award Category (Series) Romantic Mystery Unpublished division. When she's not saving her characters from death and destruction or helping them fall in love, she loves camping and fishing with her family, reading, gardening cooking. If she can do most of those things over a campfire, all the better!
