**Von Mary Rose Maxwell : Sauce for the Goose (Black Lace)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sauce for the Goose (Black Lace):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gelungene Kombination von Sex Humor Von VTR Diese Geschichten sind absolut erfrischend und frech - mit der

unerllichen humorvollen Distanz, die verhindert, da sie (wie Tausende andere) einfach plumpe, klebriges Schema F repräsentieren! Endlich mal eine Autorin, bei der man nicht ständig im Hintergrund die Checkliste der blöden 0/8/15 Bettigungen sieht, die dann stur und gelangweilt abgearbeitet wird (1 Prise vaginal, 1 Prise anal, 1 Prise oral etc. etc.). Dazu sind die Personen aus dem Leben gegriffen und keine Barbiepuppen oder bremenschliche Schnlinge. Bitte, Mary Rose Maxwell, schreiben Sie mehr! 0 von 1 Kunden fanden die folgende Rezension hilfreich. doesn't go far enough Von ~The Bookworm~ i don't know why the author felt that ugly people make sexy reading...I mean, girls, if we wanted to read or watch ugly guys we wouldn't be glued to Gladiator, right? and as for people peeing in nappies.....ick! i think the english have some Very Strange Perversions. And they aren't sexy! This left me cold and had a high yuk factor. and the so called sexy stories seemed to all be about people with no redeeming attributes. The sexual discriptions were also distinctly odd - 'savage' penis anyone? pretty anti-men i think. Personally I love men, so I'd go for some other erotica given the choice.

Kurzbeschreibung Sauce For The Goose is a riotous and sometimes humorous celebration of the rich variety of human sexuality. Imaginative and colourful, each story explores a different theme or fantasy and the result is a fabulously bawdy melange of cheeky sensuality and hot thrills. A lively array of characters display an uninhibited and lusty energy for boundary breaking pleasure. This is a decidedly x-rated collection of stories designed for enjoyment and indulgence. Pressestimmen "Explicit sex keeps you turning the page. Lip-curling stuff for steamy days and nights." (The Guardian) Werbetext Black Lace: the leading erotic imprint for women
