WONDERFULVon Ein KundeMy sister got me started reading Indian romance novels. And although I enjoy them as a whole, most are filled with unbelievable mush and unrealistic plots. BUT, Savage Ecstasy is completely different. It is totally believable. You would believe you were reading a real account of a white woman who fell in love with an Indian. Their trials and triumphs are so powerful it had me crying numerous times. I LOVED IT!!!! Once you read it you must read the following sequels.1 von 1 Kunden fanden die folgende Rezension hilfreich. The complete "ecstasy" set.....Von Ein KundeHaving read the complete set of 8 "ecstasy" books by Janelle Taylor, I can whole-heartedly endorse her as the premiere writer of Indian historical novels... and the romance isn't bad either!You will be glad you read them all.... and, believe this, if you read one you will simply HAVE to read the others.1 von 1 Kunden fanden die folgende Rezension hilfreich. But if Alisha could have read Gray Eagle's thoughts she would have been even more disturbed. Because from the moment he saw her, the Indian knew he had to possess the fair-skinned one--and his life would not be complete until he had made her his slave!KurzbeschreibungKiss of the night wind. . .Whispered kisses. . .Follow the wind. . .The novels of Janelle Taylor sparkle with her unique blend of adventure and passion.
