SoleFun and a bit dark, rough and loving, the book holds the tensions well as the characters stories unfold! Loved it.

KurzbeschreibungSAVAGE HEARTS is the latest stand-alone novel in the USA TODAY bestselling Club Volare series. It contains mature language and subject matter, and is definitely not for the faint of heart ;) A year ago, Soren Andersson triggered the events that broke up his world famous band, Savage Heart. Now a book about the bands break up and eventual reunion has been published that reveals Sorens sexual history as a powerful Dom, and all the media attention brings lawsuits and fortune-hunters intent on destroying Soren. But Soren doesnt care about any of that.All he cares about is Cate Kennedy, the lawyer hired to defend him.Its not that he cant get her out of his mind. Its not that shes the perfect submissive for him. Its not even the heat he feels when he touches her. Its that he sees something in Catesomething he recognizes. Soren sees the pain that she tries to hide away, and the fear that keeps her from exploring the submission she craves, and he knows its his duty and his privilege to do something about it. Soren has just one rule: total honesty. If Cate can do that, he can show her all of the things shes ever dreamed of.Cate is totally honest, except for one teeny tiny thing: shes still technically married. Her abusive ex-husband wont give her a divorce. Instead hes using her secret interest in BDSM to blackmail her. Cate refuses to let her ex control her life anymore, and she wont let him take this opportunity from her, either. Soren Andersson offers the perfect escape: hell dominate her in all the ways shes fantasized about, and hell do it with no strings attached. Neither one of them believes they are capable of love or commitment, but only Soren seems to understand the physical release that Cate needs.It really is perfect.Until one of them falls in love, Cates secret puts the band at risk, and Soren finds out shes been lying to him the whole timeKurzbeschreibungSAVAGE HEARTS is the latest stand-alone novel in the USA TODAY bestselling Club Volare series.
