Von Susan Hatler : Save the Date (Better Date than Never Series Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Save the Date (Better Date than Never Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Doubts of a marriage counselor - great romance and accurate!Von DoortalksEver since I decided to become a marriage

counselor in my teens I had the same doubts - how could someone help others if he does not help himself? So I mistrust some great counselors only because they were divorced. Then got a grip. Studied. And got the doubts again - how could I help other if my own marriage is not perfect? Now I know and Kirsten, the heroine of this book knows, too! Susan made a great job of describing very accurately the doubts one gets when one is a shrink and something runs wrong on the personal level. Put some great romance and a guy who is worth it in it - and you have a cosy easy flowing romance, just perfect for an afternoon outside or an evening by the fireplace!

Kurzbeschreibung Kristen knows men hide things. Case in point, her last boyfriend turned out to be married. Just like anyone else would be, Kristen is devastated. However, since Kristen evaluates people for a living, her ex's duplicity has her searching for a new career as well as swearing off men. Touring history museums with her sexy friend Ethan doesn't count, because he has a girlfriend, and has only shown friendly interest in Kristen. He even helps with her career counseling tasks. Although Kristen has a secret crush on Ethan, spending time with him is safe. Until she discovers he's actually single. Gasp. And now he's flirting with her, too. Suddenly, Ethan is way too dangerous. Not to mention tempting. Sure, he seems like sixty shades of perfect, but how's a girl with bad judgment supposed to detect what skeletons he has in his closet?
