Kurzbeschreibung You are cordially invited...As daughter of a man in charge of the CIA, Gemma Harrison knew her father was overprotective. She just didn't think it went as far as assigning a man she can't stand to be her bodyguard under the ruse of a fake marriage after receiving threats on his daughter's life. Now she has to plan a fake wedding to a guy - okay, maybe he's attractive and has a butterfly-inducing Southern accent - but she was only twenty years old! She wasn't expecting to settle down so soon, especially not when she had a crush on her community college's star athlete, Troy. Now that Agent Dixon Black is constantly with her, her dreams of making out in the backseat of Troy's Camaro are completely ruined. Although, the more time she spends with Dixon, the more she realizes he's not as bad as she originally thought... When things get real - both with Dixon and the danger she's in - Gemma is forced to reevaluate her feelings and decide if this fake engagement is really fake.
