NOT ENOUGH STARS FOR THIS ONE!Von Anna SalamatinThere simply aren't enough stars to do this installment justice!!!This is Devon and Anya's story and it's gona rock your world!!!!Devon is the powerful white dragon. Not only beautiful but gets his power from both the sun and the moon!He knows that the universe has made this beautiful

woman just for him. He knows this before he even knows her name. Anya is under a curse, unconscious and calling out with her mind for help. Devon can hear her, and so can Sydney! I was just captivated by this story and could not put it down. It is constantly one thing after another. I barely had time to take in one twist before the next turn came. There are some subtle clues as to future happenings if you catch them. And one giant mind blowing event that just floored me, so totally unprecedented, that the whole Clan was enthralled. But wait!!!! the very end,, yes it's a cliff hanger, and it's a whopper! I am already looking for the next installment!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich.
