Von Jennifer Ryan : Saved by the Rancher: Book One: The Hunted Series before purchasing it in order to gage whether or not it would be worth my time, and all praised Saved by the Rancher: Book One: The Hunted Series:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice and romanticVon Ruth HansIt has been just a nice read. I would have rated it five stars, if the story hasn't been so unlogical

at some times. But where it lacked in the suspense department, it made up for the flaws in the romantic parts. I've also bought the other two books of the "Hunted Series", and in spite of the not so well developed sequences, I can recommend it as a nice distraction from your every day business.

Kurzbeschreibung From the moment rancher Jack Turner rescues Jenna Caldwell Merrick, he is determined to help her. Soon, he is doing more than tend her wounds; he is mending her heart. Jenna is a woman on the run, hunted down by her ex-husband, David Merrick, from the day she left him, taking part of his company with her, to the second she finds herself in the safety of Jack's ranch. More than just a haven, Jack's offering the love, family, and home she thought were out of reach. Jack's support will give Jenna the strength she needs to reclaim her life. The hunted will become the hunter, while David gets what he deserves, when they have an explosive confrontation in the boardroom of Merrick International. But not before Jack and Jenna enter into a fight for their lives.

ber den Autor und weitere Mitwirkende Jennifer Ryan is the New York Times USA Today bestselling author of The Hunted, McBride, and Montana Men series. She writes suspenseful contemporary romances with outrageous plot twists, deeply emotional love stories, high stakes and higher drama. Her stories are filled with love, family, friendship, and the happily-ever-after we all hope to find. Jennifer lives in the San Francisco Bay Area with her husband and three children. When she finally leaves those fictional worlds, you'll find her in the garden, playing in the dirt and daydreaming about people who live only in her head, until she puts them on paper.
