by the Viking Warrior by Michelle Styles Von Martina Hennen I just loved this book... Thrand is a Viking Warrior like you imagine those: Big, strong, kind of brutal (well, he has to stay alive while fighting). But he's also fair and surely owns deep down a big heart... And Lady Cwenneth, suddenly in his captivity/protection, is a beautiful but also strong and self-confident woman. They have to travel together in this adventure, and it is a romantic, exiting, heart warming novel. I totally fell in love with Thrand and I'd love to try like Lady Cwenneth to reach his heart...It was not my first novel of the Viking Series by Michelle Styles, and it will be not my last. If you want to recover from everyday life, I highly recommend this book.

Kurzbeschreibung "There is no one. I travel alone. I live alone. Always." Battle-scarred Thrand the Destroyer has only one thing on his mind: settling old scores. But with the beautiful Lady of Lingfold as his prisoner, the unyielding warrior starts to dream of a loving wife and a home to call his own. Cwen is also seeking justice, but she knows the fragile alliance she's built with Thrand will only last as long as they share a common enemy. Unless they can find a way to leave revenge to the gods to forge a new life together.
