Outstanding, Fun, and interestingVon donors@aol.comSaving Grace, the second book featuring the heavenly Moon Island and it's owners, truly lived up to its predecessor. I can't wait, and hope that it is not the last to feature Annabel and Cody, or Grace and Dawn. The characters are easy to like and care about, and you find yourself unable to put the

book down, until you find out how everything ends. Jennifer, can we beg you to write another!?! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great sequel to Passion Bay. Where's the next one? Von Ein Kunde This book is easy to read and flows well. It proficiently picks up right where Passion Bay left off. I'm anxiously awaiting the next one(s)!!

Kurzbeschreibung Champion swimmer and Olympic hopeful Dawn Beaumont flees to Moon Island after a car crash leaves her haunted by guilt over the death of a passenger, her career in ruins, and her body damaged. Scientist Grace Ramsay welcomes her cute new neighbor, imagining Dawn could be a pleasant diversion from her secret mission to evaluate Moon Island for corporate purchase by a chemicals giant looking for a waste dump far from civilization. But Dawn won't play ball, in fact she denies she is even a lesbian. Beset by troubling nightmares rooted in the past, and increasing ambivalence over her job, Grace sets out to prove otherwise. Meanwhile Annabel Worth, the owner of the island, is determined not to sell her home to a chemicals conglomerate. But then her plane goes down in the Pacific under suspicious circumstances.
