Von Sandy James : Saving Grace (Safe Havens Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Saving Grace (Safe Havens Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Two love stories in oneVon Kindle JunkieThis is a well-written tale of not only how 35-year old, man-leery Grace learns to

trust the very patient Adam Morgan. Soon after her arrival at Adam's ranch, her younger brother and protector Matthew shows up and Adam's 21-year old daughter Victoria is struck by his good looks. Victoria and Matthew's interaction and constant bickering serve as a relief from the more dark secrets kept by Grace. Grace's full history and the reason for her reluctance to trust men is slowly revealed during the course of the story, but the reader can readily guess the basics.

Kurzbeschreibung Grace Riley is on the run from her past and from her fears. The victim of a violent rape at the hands of a rich politician's son, she must disappear to escape his constant attempts to recapture her. Moving from cattle drive to cattle drive as a cook, she avoids her tormentor for nearly twenty years. When she discovers that the brother she gave up for adoption after their mother died in childbirth was orphaned at an early age, she is frantic to verify that he's safe. She tracks him to a cattle ranch in Montana. Widower Adam Morgan owns the Twin Springs ranch, but finds himself falling into a life of loneliness. Although he enjoys spending time with his grown daughter and the two men he rescued when they were living on the streets, he longs to meet a woman he can love. Living in the Montana territory where men greatly outnumber women makes finding a new wife difficult. Weary of working cattle, he is ready to make some changes in his life. Grace falls ill on her journey, but she manages to make it to the Twin Springs ranch where her brother is supposed to be living. Adam takes her in, concerned for her health and the reason she's searching for one of his adopted sons. Their chemistry is immediate and intense, but can Grace heal from her past of pain and fear? When her secrets are finally revealed, can Adam forgive her deceptions and learn to love again?
