Von Maren Smith : Saving Sara (Masters of the Castle Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Saving Sara (Masters of the Castle Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Urlaub im SchlossVon Renate H.Nach einem Unfall bei einer Feuersession vor 3 Jahren, ist Sara unsicher und kann sich selbst nicht lieben. Sie kommt mit ihrem Dom ins Castle, um zu versuchen, wieder zu der Sub zu werden, die sie

einmal war. Dort trifft sie Jackson, einen Freund aus ihrem "alten" Leben. In diesem 3. Teil der Serie ist wieder alles drinnen, was das (BDSM)Herz begehrt. Die Geschichte ist glaubhaft erzählt, flüssig geschrieben und meistens einfach hei. Mich hat beeindruckt, wie gut es der Autorin gelungen ist, den inneren Konflikt in Sara zu zeigen. Ich freue mich schon auf die nächste Geschichte aus dem Schloss. Eine absolute Leseempfehlung.

Kurzbeschreibung Once upon a time, Jackson and Sara were friends. Close friends. Friends with benefits, even. For him, making that leap into a committed relationship seemed like a no-brainer. For her, it was scary as hell. Having seen more than one submissive become lost in the illusion of a relationship that was then incapable of surviving in real life, Sara was terrified. She knew she was falling in love, and she had no idea with what: Jackson the reality, or the masterful illusion. Then the accident happened and Jackson was there for her. And that's when Sara knew - she was going to lose herself in the illusion. Terrified, she ran. Now, years later, Jackson is chief of security for The Castle - the hottest BDSM fantasy resort in the country. Summoned to the dungeon on a trouble call, Sara is the last person he expects to find huddled up against the bathroom wall. After three long years filled with even longer nights, he's had plenty of time to consider all he'd do if ever she fell back into his life. When he sees his chance, he doesn't hesitate. One day - that's all he has before the buses come and Sara runs again. One day to rekindle old passions, to bury old fears, to prove once and for all just what is illusion and what is not. **Publisher's Note:** While this is the third book in Maren Smith's hugely popular Masters of the Castle series, it can be read as a standalone, as can all the others. The series numbers are just a guideline as to recommended reading order. **Kurzbeschreibung** Once upon a time, Jackson and Sara were friends. Close friends. Friends with benefits, even.
