Von Julia Sykes : Savior (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Savior (English Edition):

Kurzbeschreibung With my life falling apart around me, I know I don't deserve a man like Clayton Vaughn. The impossibly sexy FBI agent promises he'll protect me from the violent Latin Kings, but good things like Clayton don't happen to damaged girls like me. Despite my reluctance, he insists on keeping me close. He grants me the sweet release I can only find in sexual submission, and I am quickly becoming addicted to him. I'm eager to give him my body, but Clayton is determined to possess my heart and soul. Can I learn to trust in his love and protection? Or will my life be claimed by the dangers that surround me?
