Von Gena Showalter : Savor Me Slowly (Alien Huntress) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Savor Me Slowly (Alien Huntress):

KurzbeschreibungHALF HUMAN, HALF MACHINE...ALL WOMAN Mishka Le'Ace was created to be an undercover operative...literally. Her beautiful body has been mechanically augmented to give her superhuman strength -- strength she's going to need. Her latest mission sends her to rescue Alien Investigation and Removal agent Jaxon Tremain from torture and death. With him, she discovers a passion unlike any other. A passion she was forbidden to know.... From the moment they meet in a darkened cell, Jaxon craves her touch. But the machine half of Le'Ace forces her to do things she doesn't always want to do. Even betray him...and ultimately destroy him. Now Jaxon must battle the man controlling Le'Ace, and even Le'Ace herself, to at last claim the woman he's come to love.

Synopsis A beautiful race of aliens called Schon are now stalking the streets of near future New Chicago - beautiful but oh, so deadly. They are infecting humans with a terrible madness, a virus that corrupts and destroys both mind and body. Enter Alien Investigation and Removal agent Jaxon Tremain. While investigating, he's attacked and captured, imprisoned and tortured. Enter secret operative Mishka Le'Ace, cold, unfeeling, a woman whose body is part machine, gifting her with superhuman strength. She's sent to rescue Jaxon - or kill him if he's spilled government secrets. From the beginning, neither can deny the electric attraction between them, not even when they are forcibly parted after the successful rescue. For the machine half of Le'Ace is controlled like a puppet, forcing her to do things she doesn't always want to do: even kill a man she craves more than breath. Now Jaxon must battle a new breed of aliens, the man in charge of Le'Ace and even Le'Ace herself to at last claim the woman he's come to love.
