Fischer Sawbones is a serial killer who keeps kidnapping young women, then cuts off their arms and legs while they are still alive. He hasn't been caught in three years. But then he makes the mistake of kidnapping Laura, the daughter of a crime boss. Her loving father sends some of his most ruthless henchmen after the killer. They don't stop at anything to find him and Laura - neither the FBI, nor state police

and witnesses are safe from murder and torture...This book has the kind of very dark humour you find in the film Reservoir Dogs and the like. I found it both chilling and very funny at the same time. It's definitely unusual. As the narrator says while they're driving around with a corpse and a policeman in the trunk: And this time we're the good guys. And they are, compared to the serial killer, so having someone like that hunted by ruthless criminals is very satisfying and fun. The book has been criticized for being rather expensive while it's also quite short. That much is true. The publisher aims at people with dyslexia and other problems with reading: It's short, the printing is large, so is the space between lines. It's a really short book, a novella or short novel. To me it's still worth every penny and I would definitely recommend it. But as I wrote in the title: It's definitely not for the faint-hearted because it's extremely brutal and there's no relief from a world full of torture and murder. But with the dark humour mixed into this, it's still fun and definitely entertaining. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Sawbones Von L. Peter Sawbones von Stuart MacBride ist die richtige Novella für jeden, der einen kurzen, spannenden Thriller amerikanischer Provenienz mag. Exzellent geschrieben.

Kurzbeschreibung Gruesome American serial killer tale with a twist - from No. 1 bestseller Stuart MacBride They call him Sawbones: a serial killer touring America kidnapping young women. The FBI is investigating - but getting nowhere. The latest victim is Laura Jones. Sixteen years old. Pretty. Blonde. And the daughter of one of New York's most notorious gangsters. Laura's Dad doesn't care about the law. What he wants is revenge. And he knows just the guys to get it. This time, Sawbones picked on the wrong family.
