One of the few childrens books that is good for adults.Von Ein KundeI read this book when it came out in 1995, when I was 13. I thought this was an awesome book, with well-introduced characters (except, maybe, for "Spidey"...), a good plot, and a sinister antagonist: a camera. Nickelodeon's "Are You Afraid of the Dark?" had an episode ("The Tale of the Curious Camera") that was almost a complete copy of this story, but honestly, I don't know which came up with the

idea first. I've always wondered about if a camera could do something supernatural, and this is one of the reasons why I ever did. Right now I am currently reading Stephen King's novella "The Sun Dog" in "Four Past Midnight", another supernatural camera story. I can only hope that that Official Boy Scouts camera I bought from an antique shop isn't possessed...0 von 0 Kunden fanden die folgende Rezension hilfreich. eine etwas gruselige Kamera Von PamNGreg und seine Freunde sind gelangweilt und wissen nicht was sie mit ihrer Zeit anstellen sollen. Sie beschließen das Coffman Haus zu erkunden. Greg findet in einem Geheimfach eine Kamera und macht damit Fotos. Jedoch zeigen die Fotos nicht das was er fotografiert hat, sondern unheimliche Situationen. Das Cover ist mal wieder super. Es ist bunt, auffällig und zeigt ein Foto von einer Skelett-Familie beim BBQ. Der Schreibstil ist wie immer fließend und einfach zu verstehen. Es gibt wieder ein paar spannende Stellen im Buch, die das Buch somit auch für etwas ältere Leser interessant macht. Ich fand die Idee der Story richtig super. Auch wenn es etwas schade ist, dass die Kamera nur ein wirkliches Opfer hatte. Da das Buch an Kinder und Jugendliche gerichtet ist, ist das aber in Ordnung. Schön wäre es auch gewesen, wenn die Clique zusammen alles erlebt hätte und nicht überwiegend Greg und Shari. Für die 136 Seiten aber trotzdem ein super Buch mit einer interessanten Story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beware Of The Evil Camera! Von Ein Kunde Say Cheese And Die Is The best Goosebumps (with Deep Trouble and Bad Hare Day.) It was about 4 friends who went to a deserted old house and found a camera.....an evil camera. Greg's 3 friends didn't believe him even when Bird fell unconcist on the ground in a baseball game. But then Michael's picture was taken again...but it was a negative! Then came Shari who disappeared. Then Greg said we've had enough let's go take it back. But there's no way a camera could be evil or no way a camera can cause trouble.....Or Is it? From, Isaiah Fields, Age 9

Kurzbeschreibung Discover the bone-chilling adventures that made Goosebumps one of the bestselling children's book series of all time. Now with all-new bonus materials! Greg thinks there is something wrong with the old camera he found. The photos keep turning out . . . different. When Greg takes a picture of his father's brand-new car, it's wrecked in the photo. And then his dad crashes the car. It's like the camera can tell the future--or worse. Maybe it makes the future! It's another fan-favorite prequel to R.L. Stine's blockbuster GOOSEBUMPS HORRORLAND series. Now with a guide to haunted machines and other all-new bonus material! Kurzbeschreibung Discover the bone-chilling adventures that made Goosebumps one of the bestselling children's book series of all time. Now with all-new bonus materials!
