allerbesten gefallen hat. Erst dachte ich ja: Ok, wird sicher nett, großer starker Bodyguard hilft der jungen Frau mit ihren neuen Pflegekindern. Nicht gerade spektakulär. Naja zugegebenermaßen ist das Buch nicht die hohe Kunst der Literatur, aber für sein Genre ein echter Hit. Joe ist nicht gerade der typische Held romantischer Geschichten, rauhbeinig, schon ein wenig abgenutzt (dank Knieschuss aus Polizistentagen) und legt alles flach was bei 3 nicht auf den Bumen ist. Als Cousin der Winston-Brüder durften wir ihn schon in deren Serie kennenlernen. Ein Raubein und Weiberheld wie er im Buche steht. Luna ist Wahrsagerin und obwohl ihre Kindheit nicht gerade die Glückliche war ist sie doch entschlossen, den Kindern ihrer Cousine ein Heim zu geben. Da diese aber in ihrer Heimatstadt ständig Probleme machen, soll Joe ihr helfen die aufdringlichen Nachbarn in der ersten Zeit in Schach zu halten. Sicher das ganze Konstrukt führt zum Unausweichlichen, aber wer kauft schon ein Lori Foster- Buch um zu lesen, das die Helden des Buches leer ausgehen? Ich fand es unterhaltsam und der gute Joe hat sich Seite für Seite in mein Herz vorgearbeitet (er ist eben doch ein echter Winston, und die sind nun mal echte Familientiere), so dass dieses Buch jetzt ganz oben auf meiner "Unbedingt-noch-mal-lesen"-Liste steht. Ich finde es auch besser als ihre Bücher über die Winston-Brüder, da es zwar auch hier vor sexueller Spannung nur so knistert, es aber eben nicht nur um das eine geht. Unterhaltsamer Lesespaß für Fans des Romantik-Genres. 0 von 0 Kunden fanden die folgende Rezension hilfreich. say no to joe?....never! Von guddijoe, der schon etwas angeschrämte Weiberheld, hat für die wilde Luna nur ein Grollen brigg als sie ihn in seinem Schlafzimmer aufsucht um ihn um einen Bodyguardjob bittet. Er folgt ihr knurrig in das indische Visitation, North Carolina, um dann langsam aber sicher dem Charme der schillernden Luna und der beiden Kindern zu verfallen die Luna 'geerbt' hat. Viele unterhaltsame Seiten später entpuppt sich Joe als einer der besten Helden von Lori Foster, und der Roman als ein Dauerbrenner auf meiner Empfehlungsliste für meine Freunde und Familie! Witzig, abwechslungsreich und sexy. fünf Punkte für eine weiteres Mitglied der wundervollen Winston-Familie, und der Auftakt für die herrliche Visitation-Reihe. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another charming Winston-novel Von S. Fischer Joe Winston has been a policeman, bounty hunter, bodyguard... So when Luna needs someone to protect her and her young orphaned cousins, he seems perfect for the job. The only problem is that Luna falls in love with him, and she knows that Joe isn't the man for a long-term relationship. But when the two move in with the kids who are under attack from people who want to drive them out of town, it soon becomes clear to Joe that he wants more than a fling from Luna. But can he convince her that he wants forever? This is a charming story full of warmth and nice characters. It's connected to 'The Winston Brothers' and 'Wild', but can be read on its own.

Kurzbeschreibung Lori Foster writes about real people you'll fall in love with. Stella Cameron You met Joe Winston in Lori Foster's Wild. Now, the Winston brothers' seductive, bad-boy cousin is back and up against a woman who's immune to his considerable charms so it seems . . . IRRESISTIBLE FORCE MEET IMMOVABLE OBJECT Joe Winston has a routine with women: he exists; they swoon; roll credits. With his smoldering looks, macho style, and irrepressible charm, Joe can have any woman except the one he really wants. Secretly, Luna Clark may lust after Joe, but she's made it clear that she's too smart to fall for him. He can just keep holding his breath, thank you very much. But now, Luna's inherited two kids who need more than she alone can give in a small town that seems hell-bent on driving them away. She needs someone to help out . . . someone who can't be intimidated . . . someone just like Joe. Becoming an instant family wasn't exactly what Joe had in mind, but hey, it's a start, and you can't blame a guy for trying every angle. After all, where there's a Joe, there's a way . . . straight into a woman's heart. When it comes to delivering sexy and sensual romance, author Lori Foster is in a class by herself. She knows that she's far too attracted to the very sexy Winston male but when she needs protection for her two young orphaned cousins, she turns to the tough bounty hunter. Delighted at the opportunity to spend time with Luna, Joe packs his bag and accompanies her to North Carolina, where he finds himself falling in love not only with Luna, but with the teen-age girl and young boy who are now her responsibility. But someone is causing "accidents" to happen at the house on Quiet Lake and before Joe can concentrate on seducing Luna, he'll have to find the perpetrator before the danger escalates. Nobody does blue collar heroes quite like author Lori Foster and Say No To Joe? delivers plenty of sexual sizzle between Joe and the free-spirited heroine who's clearly savvy enough to handle him. Toss in a couple of endearing kids threatened by a mysterious enemy, an eccentric cast of secondary characters, an interesting plot, and the result is an excellent contemporary romance.
