**Von Suzy Pizzuti : Say Uncle (Halo Hattie's Boarding House)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Say Uncle (Halo Hattie's Boarding House):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hattie to the Rescue!Von Ein KundeThis is a humorous, heart-warming romance about two hard working but lonely all-business types called Sean and Julia who end up at the same boarding house. Their lovable--and slightly deaf--landlady is the type whose muddled but sincere prayers always get answered, throwing the lives of her young tenants into hilarious confusion. Add Sean's baby niece to the mix and you have a surefire recipe for one zany disaster after

another. This one will give you lots of laughs--and maybe even a few tears--as, along with Sean and Julia, you are reminded what life and love are really all about. Von 0 Kunden fanden die folgende Rezension hilfreich. Utterly delightful!!! Von Brown-eyed Girl Ms. Pizutti combines her trademark zany humor and her love for the Lord in a romance that is inspirationally motivating as well as a delightful read. Prayer warrior Hattie is hilarious! Characters are well drawn and lovable. This is a wonderful book and I would highly recommend this--as well as Suzy's other books--to any woman who wants a little dose of laughter and inspiration.

Kurzbeschreibung Book One of Halo Hattie's Boarding House Series. Busy, executive-type Sean Flannigan hadn't planned on taking time off from work. But the unexpected break comes just in time for him to watch his nine-month-old niece, Carly Ann, during his sister's two-week business trip. The only glitch is: Sean has no idea how to care for a baby. Neither, to his chagrin, does his beautiful new neighbor: the equally busy, female-executive-type Julia Evans--though, ultimately, the two have a lot of fun trying to figure out which end to diaper and which end to feed. But what will happen when it's time to give the baby back? Can Sean and Julia go back to the "rat race" and life as usual? Or are their hearts ready to Say Uncle... and Aunt? From the Trade Paperback edition. From Library Journal In her funny first book, Pizzuti tells the story of Hattie Hopkins, who runs an old-fashioned boarding house in McLaughlin, VT. Two of Hattie's boarders are career-obsessed Sean Flannigan and Julia Evans, neither of whom has time for love. Luckily for them, Hattie has a hearing problem, so when they ask her to pray for help with their careers, she translates a need for a promotion into a vacation. The unexpected time off from his job gives Sean an opportunity to babysit his niece and to realize that there is more to life than work. Although some of the characters are not fully three-dimensional, this fresh, light, and funny read is certainly a welcome change of pace. Copyright 1998 Reed Business Information, Inc.
