Von Tessa Dare : Say Yes to the Marquess: Castles Ever After before purchasing it in order to gage whether or not it would be worth my time, and all praised Say Yes to the Marquess: Castles Ever After:

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. a podgy heroin and a boxer of a heroVon Miss HI apologized for my using the word "podgy", but this is the impression I got

reading this book. The story is sweet. Clio who is betrothed to a nobleman tires of waiting for him to return and marry her. She wants to break off the engagement (Kudos to the heroin, I liked that). Her supposedly future "brother-in-law" tries to convince her otherwise. They fall in love, they resist, they cannot help it, they fall in love more, they have sex. Her betrothed returns. Hero runs. Heroin runs after him. Heroin gets sick. Hero takes care of her and falls in love some more. Everybody reconciles with each other. Hero and heroin get married and they live happily ever after. The end. Sorry I did a horrible job at summarizing the story. It is not a bad read but I feel that a great story was spoiled. I wonder what Teresa Medeiros would have done with the plot line.
