KurzbeschreibungSeries: Quinn SecuritySeries Note: Although the previous release in this series is The Ultimate Kink, Saying I Do is the sequel to Finding Home, the first book in the series.Genre: LGBT Erotic ContemporaryWhen Rhone Quinn caught Adam Reyes picking his pocket in Finding Home, he never dreamed the young man would become his best friend, his business partner, or that Adam was secretly gay and falling for him. What really knocked heterosexual Rhone on his ass was discovering Adam's feelings, and realizing he felt an equally fierce attraction and love.Fast forward two years. Rhone and Adam are engaged and headed to Vermont for their wedding. Nothing can mar this beautiful occasion. Right?Wrong. A bride staying at the hotel fuels Adam's fears of losing Rhone to a woman; a feuding couple that Adam and Rhone run into every time they turn around sparks disagreements between them; and a hotel employee's strange behavior spurs Adam's professional curiosity and later rouses his protective juices.What was supposed to be a week of celebration and hot lovin' quickly turns into a Quinn Security investigation. Now all Rhone and Adam need to do is get a bickering couple to admit they're in love, help a sweet young man out of a terrible situation, and maybe, just maybe, Rhone can get his fella to the chapel on time to say "I do."Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, male/male sexual practices.KurzbeschreibungSeries: Quinn SecuritySeries Note: Although the previous release in this series is The Ultimate Kink, Saying I Do is the sequel to Finding Home, the first book in the series.Genre: LGBT Erotic ContemporaryWhen Rhone Quinn caught Adam Reyes picking his pocket in Finding Home, he never dreamed the young man would become his best friend, his business partner, or that Adam was secretly gay and falling for him.
