Von **Christina Dodd** : **Scandalous Again: Switching Places #1 (Switching Places Series)** before purchasing it in

order to gauge whether or not it would be worth my time, and all praised *Scandalous Again: Switching Places #1* (Switching Places Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. Absolutely adorableVon Miriam M.Publishers Weekly" has given a rather thorough and accurate account of the content of *Scandalous Again*", therefore I'm only going to give my opinion of the book and not a review.I've been a fan of Christina Dodd's books for quite a while now and "*Scandalous Again*" certainly does not disappoint. The story almost sizzles with the attraction between the two main characters, Madeline and Gabriel and certainly is never dull. In fact I read the book as well as its second part ("*One Kiss From You*") in one day because they were that gripping. The only complaint I have about this book is that even though one can sort of understand why Madeline is against gambling, it is still hard to understand why she threw away everything - Gabriel and their life together - just because of that. Then again I suppose she was only 18 then and still had some growing up to do.For anyone who is a fan of romance, especially the Regency kind, as well as erotic love scenes will absolutely adore this book and should also read "*One Kiss From You*".

KurzbeschreibungTwo exquisite cousins must exchange identities in a scandalous deception. Madeline de Lacy, the duchess of Magnus, prides herself on being one of the most sensible young women in England, which is why she can't believe that, in a turn of the cards, her noble father has lost his entire estate -- and her! -- to a stranger.On a mission to salvage her family fortune, she changes places with her cousin and companion, sending the meeker Eleanor to confront the man who had won Madeline's hand. Now, Madeline is free to enter the home of a notorious gambler, and pretends to be meek, humble, and competent with an iron. She is, of course, none of those things; she simply is resolved to win her family's fortune back. Just when she thinks matters can't get worse, she meets Gabriel Ansell, the earl of Campion, and they do. Horribly worse.Four years ago, Madeline was engaged to Gabriel, and worshipped his arrogant kisses. Now, being forced to marry a man she doesn't know pales in comparison to the ordeal of facing Gabriel again, the man who betrayed her -- Gabriel, the only man she ever loved.KurzbeschreibungTwo exquisite cousins must exchange identities in a scandalous deception.
