Von Brenda Hiatt : Scandalous Virtue (The Saint of Seven Dials Book 0) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scandalous Virtue (The Saint of Seven Dials Book 0) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
EntertainingVon Kindle JunkieVery well written story which kept my attention throughout, although somewhat

predictable (-1 star) if you've read a lot of historical romance. Very likable characters. Nice how romantic Nessa encourages her very proper sister to be a little less proper, keeps this from being a simple one-couple story. I read *Rogue's Honor* years ago and will read more of Brenda Hiatt's work. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Langweiliger Plot** + erfrischende Heldin* = *** Von reader Wenn Sie gerne Regency-Romane lesen, haben Sie diese Geschichte schon zehnmals gelesen, und das mit Sicherheit besser. Die Autorin kennt sich weder mit der Sprache (darling), noch der Etikette, noch den Konventionen des Adels aus und das nach sieben Jahren als Autorin von Regencyromanen. Es gibt keine Überraschungen bei der Entwicklung der Geschichte, die Charaktere entsprechen jedem Cliché, oder sind Karikaturen derselben. Die Szenen in Paris waren so bertrieben und unglaubwürdig, dass ich schon nicht mehr darüber lachen konnte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderfully amusing regency romance Von Ein Kunde I'm not a big fan of historical romance (I usually read contemporary romances or mysteries), but I really enjoyed this book. I thought it was very well-written and very funny. The way in which the author handled the hero's past was believable and the hero and heroine were extremely well-matched. It was nice to read a character-driven romance, so many of them rely on contrived events to foster the storyline.

Kurzbeschreibung "Brenda Hiatt handles the story beautifully: it is fast, witty and fun." ~Publishers Weekly First impressions can be most deceiving! Under the tutelage of her strict father, then that of an equally strict husband twice her age, Nessa, Lady Haughton, has been trained all her life to be a model of English propriety and virtue. But beneath the inexperienced young widow's oh-so-prim exterior, she craves a taste of the wickedness she has always been denied. Now that she is finally free, she intends to satisfy that craving! Notorious rakehell and war hero Jack Ashcroft finds himself unexpectedly elevated to Marquis of Foxhaven. But to claim the fortune that goes with the title, Jack must renounce his wild ways and establish himself as a respectable member of Society. The surest, quickest path, he is certain, will be to find and wed a woman beyond reproach if one will have him. When Jack and Nessa meet, each thinks the other is exactly the ticket to the changes they are seeking. Sparks will fly when they discover each other's true goals especially if it's already too late to turn back! "A real gem...Brenda Hiatt beautifully captures the era as we watch Jack and Nessa play by the rules of society while making a few of their own." ~RT Book sKurzbeschreibung "Brenda Hiatt handles the story beautifully: it is fast, witty and fun." ~Publishers Weekly First impressions can be most deceiving!
