Von Jenna Petersen : Scandalous before purchasing it in order to gage whether or not it would be worth my time,

and all praised Scandalous:

Kurzbeschreibung Katherine Fleming has lived her life without even a hint of indiscretion. So she is devastated to discover the nobleman she's engaged to has a secret he's kept from her: a wife! Suddenly Katherine's enmeshed in a scandal that has the ton buzzing and forced to accept a most unconventional proposal from the notorious seducer Dominic Mallory, her faithless fianc's brother and precisely the sort of rake she has sworn to avoid! Charming and dangerously sensual, Dominic has desired the stunning beauty from the first moment he spied her. Now, with Katherine's reputation in tatters, it's the ideal opportunity to bed her though it will take wedding vows to do so. But can a rogue be reformed by the unleashed passion of a normally reserved lady? And can a marriage made for all the wrong reasons flame into the love match of the season?
