Von LenaRibka Please dont throw stones at me. But this book DOESNT WORK for me. I was even a few times VERY CLOSE to give up. Honestly!!! I know Im in tiny

minority, I've seen all exciting reviews and this mount of 5 Stars, but maybe it is exactly the reason of my very high expectations! OK. My conclusion: You don't have to read *Fall from Grace* and *Saving Grace* to UNDERSTAND the story. You have to read it if you want to be certain to LOVE it. Perhaps. You have to read it if you prefer a woman's POV, a virgin woman's POV. You have to read it if you like to read the same story every now and then though from the different points of view. According to me-I prefer a bad boy's POV, I don't like to read the same story again and again and I don't really like my heroine to be a virgin. But still it is never the reason why my rating is far below 5 stars. Shane... gorgeously hot bad boy, front man for New York City's popular rock band...falling Angel...Grace... a virgin full of surprises, amazingly beautiful a broken soul...It was also a bit of paranormal actions, which were not suited properly for the story for me. But it could be because I have not read the first two books. I can't say I didn't like this book at all. There were some nice passages and the chemistry between Grace and Shane was flaming explosive

Kurzbeschreibung Shane Maxton is front man for New York City's popular rock band, Mad World. But he has secrets; he's not what everybody thinks he is. He comes from an ancient world, from a different time, when angels walked among men. Read the story, through Shane's eyes, of his forbidden love, his fall from grace and his inner turmoil from living with the irrational emotions of being human. **Disclaimer #1:** This is the story of Mad World Books 1 2, *Fall From Grace* and *Saving Grace*, written through the point of view of Shane Maxton. **IT IS THE SAME Love STORY** of Grace and Shane. It's just Shane's turn to tell it to you, it's everything you've read before and a whole lot more. **Disclaimer #2:** This story contains rock and roll, angels doing naughty things, violence, cursing, drinking alcohol, substance abuse, sexual situations, and irritating scenes that will make you want to hurl your eReader or book out the window. It's not suitable for anyone under the age of 18. **Kurzbeschreibung** Shane Maxton is front man for New York City's popular rock band, Mad World.
