KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. steamy and good!Von Ein Kundethis story is about Susan Carrington who is an heiress who is tired and weary of relationships after being burned by her ex-husband. She is surrounded by lots of great friends (Lee and Trevor's book HOT AND BOTHERED is to die for, go buy it!) who happen to be in happy relationships. She's the odd man out. so, she meets a mysterious man at a boutique and they dare each other to meet every Wednesday night for some hot and steamy sex. The scenes are interesting and racy and of course they fall in love with each other. But each person has secrets that

could potentially jeopardize their new found relationship.
