Von L. E. Modesitt Jr. : Scion of Cyador: The New Novel in the Saga of Recluce before purchasing it in order to gage whether or not it would be worth my time, and all praised Scion of Cyador: The New Novel in the Saga of Recluce:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. fr Recluce-FansVon freecoxModesitt prsentiert den 2. Band der Geschichte um den Magier und Soldaten Lorn, der inzwischen zum Overcaptain befrdert wurde und einen neuen Posten antritt. Wie schon im ersten Band erhlt er ein

Himmelfahrtskommando nach dem anderen, und wie schon im ersten Band ist er alle Aufgaben bravours, wenn auch selten im Rahmen des cyadorischen StGB. Lorn und der Leser bekommen auf der Reise durch Cyador immer mehr Einblicke in die Gesellschaft und die Machtstrukturen von Cyador. Klar wird auch, warum Lorn all diese Prfungen auf sich nehmen mte und wie sein Beruf schlielich sein wird...Die Geschichte um Lorn ist zeitlich am Beginn der Saga von Recluce anzusiedeln, zu einer Zeit, als das Reich Cyador noch mchtig ist, aber schon Zeichen des Verfalls sichtbar sind. Lorn und einige andere erkennen dies und kmpfen verzweifelt gegen den Niedergang, werden aber, wie der Leser der anderen Bcher Modesitts schon wei, letztlich scheitern. Aus dieser elegischen Grundstimmung und der Darstellung von Cyador bezieht das Buch auch einen Groteil seines Reizes.Lorn ist fr einen Modesitt'schen Helden recht skrupellos in der Wahl seiner Methoden. Modesitt legt aber groen Wert darauf, immer darzustellen, da dies alles immer nur zum hheren Wohle Cyadors geschieht und so letztlich gerechtfertigt ist. Immer wenn bei Lorn Selbstzweifel drohen, belauscht er zufllig Soldaten, die ihn in den hchsten Tnen loben und bringt sich so wieder ins Lot.Modesitt beraubt sich so letztlich der Chance, Lorn wirklich Tiefe zu verleihen.Was bleibt, ist ein Buch in bewhrt guter handwerklicher Qualitt und ein Einblick in das alte Cyador. Die Geschichte ist sehr linear und vorhersehbar, insgesamt mit 2 Bchern auch zu lang.Fr Fans zu empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Weiterfhrung der Saga - leider in englischVon Dirk MtzeNachdem die deutsche Verffentlichung der Saga mir Band 13, und damit mitten in dieser Geschichte eingestellt wurde (Scion of Cyador wre Band 13 und 14 geworden), habe ich die Geschichte im englischen weiter verfolgt. Die Beste Entscheidung im Bezug auf meinen Lesestoff seit langem. Die Geschichte bleibt spannend.... Jeder der das Ende erfahren mchte, sollte auch zum eng. Original greifen!

Kurzbeschreibung"An intriguing fantasy in a fascinating world." Robert Jordan, New York Times bestselling author of The Wheel of Time seriesHaving survived an extended stint fighting both barbarian raiders and the giant beasts of the Accursed Forest, Lorn has proven himself to be a fine officer . . . perhaps too fine an officer. As his prowess has grown, so has his number of enemies and rivals. Too much success has made him a marked man. When he returns to his home, both he and his young family become targets while all of Cyad is in upheaval over the death of the Emperor.L.E. Modesitt, Jr.'s bestselling fantasy novels set in the magical world of Recluce are among the most popular in contemporary fantasy. Each novel tells an independent story that nevertheless reverberates though all the other books in the series, to deepen and enhance the reading experience. Rich in detail, the Saga of Recluce is a feast of wondrous marvels.Saga of Recluce#1 The Magic of Recluce / #2 The Towers of Sunset / #3 The Magic Engineer / #4 The Order War / #5 The Death of Chaos / #6 Fall of Angels / #7 The Chaos Balance / #8 The White Order / #9 Colors of Chaos / #10 Magii of Cyador / #11 Scion of Cyador / #12 Wellspring of Chaos / #13 Ordermaster / #14 Natural Order Mage / #15 Mage-Guard of Hamor / #16 Arms-Commander / #17 Cyadors Heirs / #18 Heritage of Cyador /#19 The Mongrel Mage (forthcoming)Story Collection: Recluce TalesOther Series by L.E. He is a brilliant man from a respected family who uses his combined prowess as a talented soldier and a magical adept to foresee problems slightly before they occur and then ruthlessly deal with them, so they don't cause worse catastrophes. He's aided in his quest to keep his beloved city of Cyador safe by his magical use of a looking glass in which he can see what his enemies and loved ones are doing. His helpmate and consort, Ryalth, is a singular and exceptionally talented woman, the head of her own merchant house, a rarity for a female in Cyador. Her advice is a constant source of aid and inspiration to Lorn. Making life more precarious is the failure of the magic in the towers that power the army's lances. Also, Cyador's emperor is dying, and he hasn't yet picked a successor. As the story progresses, Lorn becomes ever more able as a commander and magician, and the challenges he faces grow in scope as scores of political enemies, hordes of barbarians and various ever deadlier assassins threaten him and his family. Though the outcome of who will be the next emperor of Cyador is never in doubt, Modesitt meticulously catalogues the details that go into Lorn's rise to greatness. Military buffs should enjoy the stupidity of the army's decisions, while marveling at the fantastic swath one heroic man armed with a magic mirror can cut through politics. (Sept.) Copyright 2000 Reed Business Information, Inc.From BooklistThe direct sequel to Magi'i of Cyador [BKL Ap 1 00] makes enough references to the earlier adventures of series protagonist Lorn, an apprentice mage exiled to the frontier as a cavalry officer for unorthodox thinking, that its readers will benefit from familiarity with Magi'i . Thanks to the number of narrow escapes he has made, Lorn has acquired a reputation as a survivor, as well as a gifted if unorthodox officer. He and his wife, Ryalth, have to contemplate raising their son in a time of turmoil made worse by the unexpected death of Cyador's emperor and the usual high number of claimants to the throne. Although notably faster paced than Magi'i , which was largely a coming-of-age story, Scion still treats matters of responsibility and deciding when to act--common themes in Modesitt's work--quite well. At the end, Lorn occupies the imperial throne, but since he is a major figure in the series, we probably haven't seen the last of him. Roland GreenCopyright American Library
