KurzbeschreibungNo strings Only possibilitiesMy name is Connor McClane, and if you havent guessed, Im a Scorpio.Few women have ever made an impression on me. Not one of them could live up to the sexual prowess of Meredith Kincaid, the woman who stole my virginity and taught me to be a man. Now, three years later, we meet again.She wants me, but only on her terms. She has a secret. I want to keep it casual and am determined not to fall in love. Yet we draw together like the proverbial moth to a flame. So I am entangled in a web of sensual exploration and emotion that leads to a cataclysmic confrontation with the man who has vowed to own Meredith. Will I say yes to the possibilities?Join Connor and Meredith for lots of steamy hot sex while we learn about the boy who will become the billionaire in this prequel of The Scorpio Saga.Reader Advisory: This book contains scenes that will stimulate your sexual imagination, including dominance and submission, sex toys and bondage. ber den Autor und weitere MitwirkendeHi Lilith here. Ive been called a maverick in motion, and its that sense of adventure I hope to bring to you. Here are a few things you should probably know about me and my writing: 1. My characters are strong and emotionally mature. 2. I love to write about passionate and enduring relationships. 3. Fantasy helps enrich reality, so read and explore with an open mind. I have been writing romance for as long as I can remember I still have a copy of a love poem I wrote in my early teens to my first crush. Ive been married for over twenty years to my beloved Neil, who still makes me blush and flush as if it were the first time. Now thats romance! Many of the greatest and enduring romances had unorthodox beginnings, and I want to tell those stories. Most of all, I want to help you feed your fantasies!
