Von Christina Dodd, Stephanie Laurens, Julia Quinn, Karen Ranney : Scottish Brides before purchasing it in order to gage whether or not it would be worth my time, and all praised Scottish Brides:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. sehr sVon emmaich hab dieses buch schon lnger als meinen kindle :-)) und war begeistert. ich mag sammlungen von

geschichten, die jede für sich nicht zu lang sind, so da frau auch mal ne pause machen und wieder ihrer arbeit nachgehen kann :-D. durch die verschiedenen autorinnen sind die geschichten sich nicht zu hnlich (wie es ja bei sammlungen manchmal leider der fall ist) und hervorragend zu lesen.absolute empfehlung - wenn nicht als ebook, dann in papier....4 von 4 Kunden fanden die folgende Rezension hilfreich. Where are those five stars?Von Dina_179I bought the book after reading the glorious praises on this site, and I was very disappointed. Only Julia Quinn's story saves the rest of the book, her humorous characters made out a lively story. I know Stephanie Laurens' style so I didn't mind her slow pace."Rose in Bloom" is just sweet enough for short romance. My biggest disappointment is on Christina Dodd's "Under the Kilt", the characters are premature, the dialogues boring and the plot weak. The last story by Karen Ranney is so illogical. Mixed up identities from both main characters until the end of the story? Give me a break. Reading romance does not mean losing our mind.3 von 4 Kunden fanden die folgende Rezension hilfreich. A wonderful anthology!Von Ein KundeAnthologies are usually a mixed bag, but this is good.Christina Dodd's "Under The Kilt" is sexy, sensuous, and funny. It works despite its short length and is a worthy story of Hadden Fairchild.Stephanie Laurens' "Rose In Bloom" is sexy and funny, but its slow pace and stereotypical heroine hampers my enjoyment somewhat. Still, a good read. Julia Quinn's "Gretna Greene" is a light, humourous story that works despite its sometimes too-modern language. It has me laughing out loud here and there. Karen Ranney's "Bride of Glenlyon" is my favorite - it's poignant and lovely despite its short length. It's a lovely story of moonlight courtship that had me smiling and sighing at the thought of how wonderful love can be.This is a wonderful book. Enjoy!

KurzbeschreibungA land of legend and wild beauty - of clans, lairds, honour, and passion - Scotland forever stirs the soul of romance. Now, in one incomparable volume, four of Avon Romances bestselling authors present stirring tales of hearts won and weddings to be, featuring a quartet of unforgettable heroines about to discover the rapture of love in a world as untamed as the men they will one day marryKurzbeschreibungA land of legend and wild beauty - of clans, lairds, honour, and passion - Scotland forever stirs the soul of romance.
