Kurzbeschreibung Oh my God! This is not my baby! Paeton McPhilomy was on a jet headed for Los Angeles with a baby that was NOT HERS! A normal person would immediately report the mix-up. But Paeton was a celebrity! She was about to be crowned Miss USA mother of the year! She was also the year's best selling romance novelist! Try a sample of Scrambled Babies to see how a celebrity reacts to this impossible scramble! Be ready for lots of laughs, lots of social satire, and a rollicking romantic comedy! This satiric romantic farce will make you wonder about people in "high places!" The tone is also rather raucus! We are also the authors of Dolly Recycles, a modern romantic comedy, and "100 Incredibly Short Plays, Volume 1, Firebike, a humorous middle school mystery, and How to Survive Your First Year of College.
