Gefangen nach AutounfallVon BcherliebeEs liegt schon lngere Zeit zurck, dass ich das Buch gelesen habe. Ich kann mich noch gut an die Geschichte erinnern, dass die stumme Raleigh bei Trampen mit ihrer Freundin von einem Auto angefahren wurde. Die drei Autoinsassen, drei junge Manner, wollten den Unfall verheimlichen, bei dem die Freundin

starb, und nahmen Raleigh gefangen. Die drei Männer waren sich untereinander aber nicht über ihr Schicksal einig. Während sie Raleigh gefangen halten, wird sie von einem der Täter heimlich beschützt und beide verlieben sich. Das war bis dahin auch recht spannend gemacht. Die inneren Konflikte der Beteiligten waren ganz gut dargestellt. Ich kann mich jetzt beim bestem Willen aber nicht mehr an das Ende erinnern, irgendwas hat der Story dann scheinbar doch gefehlt.

**Kurzbeschreibung** Can love be found in the arms of a kidnapper? Running away from a complicated life, Raleigh finds herself plunged into a nightmare. While hitchhiking across the country, she and her companion are struck by a car. Her friend is killed but Raleigh survives and her life is thrown into the hands of the three men involved in the accident. Bruised and in shock, Raleigh is locked in the basement of their remote country house, unsure of her fate. Kaden, one of her captors, is handsome and at times protective, and he convinces his friends to spare Raleigh's life to ransom her. But the safety he provides is only from his friends, and Raleigh must face his sinister intentions. Agreeing to become his lover in return for continued protection, she begins to see a tender and caring side of Kaden despite their short but violent history. As the ransom payment begins to unravel and Raleigh's life hangs in the balance, she wonders how much she can trust Kaden. Are the feelings she has developed for him genuine or a result of her situation? Does he truly care for her, as he claims, or does he just see her as a ransom payment?

**Screaming in the Silence** is the harrowing, provocative story of a woman testing love in the most hostile of environments. It is a story you will never forget. Now, with a new, never-before read Epilogue, **Screaming in the Silence** is the official published version of the Internet hit that has been read hundreds of thousands of times.

**Über den Autor und weitere Mitwirkende** Lydia Kelly grew up in Portland, Oregon where she lives with her husband. She attributes much of her creative inspiration to her friends and family who have supported her every venture. **Screaming in the Silence** is her first novel. She is currently working on a series of young adults books.
