**Von Eoin Colfer : Screwed (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Screwed (English Edition):

Witty, dark and incredibly entertaining Von Judith Gerstenkorn I accidentally started by reading screwed, before realizing it came after the equally brilliant "Plugged". Still, I enjoyed it, laughing out loud at the humour, self criticism, cynicism and sarcasm Colfer employs, writing as McEvoy. Whilst at times a little convoluted and difficult to follow, I could not

stop reading, and despite its easy reading qualities, both of the McEvoy novels allow deeper thinking.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr unterhaltsam!Von Andrea Colfer hat eine wunderbare Phantasie und besitzt ein tolles Sprachgefühl. Hier ist es nicht nur die unterhaltsame Geschichte mit herrlich schrulligen Charakteren sondern auch die pointierte Wortwahl, was die Qualität des Buches ausmacht0 von 0 Kunden fanden die folgende Rezension hilfreich. Page-turnerVon Kindle-KundeWhat a brilliant read. Fast, funny, intelligent and thrilling. Full of surprising turns. You will want to read that in one sitting - so make no other plans for the day you start reading Screwed.

KurzbeschreibungEx-army sergeant Daniel McEvoy is ready to say goodbye New Jersey's lawless underworld and concentrate on his new life as club owner and bona fide boyfriend. But when he's abducted and driven into the Hudson by a vengeful crime boss, he realises that the New Jersey underworld isn't ready to say goodbye to him.If Dan is to survive, he will have to evade bad guys on both sides of the law and find the missing aunt who once taught him how to handle boobs. Eoin Colfer, author of the Artemis Fowl novels, turns his outstanding talent to a world as criminally funny as it is dark and compelling.Pressestimmen" Dominated, driven, and fully animated by a refreshingly original voice . . . Great writing."--Lisa Scottoline, "The Washington Post" " Incomparably clever and witty . . . Has a Quentin Tarantino-meets-Carl Hiaasen quality."--"Los Angeles Times" " Lots of bloody fun." --"The New York Times Book " "[The narrator's] nicely evoked mix of Irish fatalism, resigned violence, and hilarity would make any story a winner; the cast of witty, quirky supporting characters and the pleasingly twisted story line are a bonus." --"Booklist" "Colfer's work is entertaining and expertly judged. His terse, muscular prose makes even a car chase seem like a new idea, and his McEvoy is a durable raconteur." --"Kirkus " "Colfer presents a second glorious episode (after Plugged) in the violent, hilarious, and just plain bizarre life of Irish army vet and Jersey casino owner Dan McEvoy....noir devotees with a twisted sense of humor will eat it up." --"Library Journal" "Incredible imagination won't suffice to solve this spectacular whodunit, a five-star story in the vein of Dave Barry that has more twists and turns than a California cloverleaf. Tell everyone you know to get SCREWED. Better still, buy a copy of it." --"Bookreporter.com"WerbetextFrom the bestselling author of the Artemis Fowl children's titles comes a brilliant, darkly comic follow-up to the adult crime debut PLUGGED
