oh Scrooge lol Von Birgit Wahl First thing first lol this is an honest review by a reader who never got any free books send over by this author I love all books written by this author, usually pre-order them in advance here at asap I got advised via newsletter that there is a new book coming up so you see how beloved all series/books written by Ms Taiden are to me. I was hooked after I had read my first book written by her. So I'm honest when I tell you that this is a great christmas read and a great book 9 in the Paranormal Dating Agency series, the hero's are always shifters and the heroine's are always human bbw females, well mostly except for this book lol If you follow the series like I do you may have met Aurelis, the baker, before in previous books now this is her book. She is a shifter and this is a story about her and her mate. She finds out why he abandoned her after mating her years ago Gerri Wilder is rescuing the day again lol aka the struggling couple but I wont tell you how

Kurzbeschreibung ATTENTION READERS: This is a SHORT. It is intended to be read in order after you read the previous books (1-9). Paranormal Dating Agency: BBW Paranormal Shape Shifter Romance Aurelis Fuentes wants one thing: Children. She'd also like for people to stop complaining about the amount of frosting on her cupcakes but that's another story. When her scrooge of an ex comes back into her life, she's not sure what to think. Reed Stone wants one thing: His mate back. He made a mistake but he's a changed man. In the spirit of Christmas, he's hoping she takes a chance and forgives him or at least allow him to explain without throwing things at him. Gerri Wilder is at it again, only this time she's got the help of some of our previous couples. Catch up with Tally, Nita, Maya, Alyssa and their men while they try to help Auri and Reed find their way back to each other. This is one holiday they won't soon forget. Reader Note: This story contains the use of the word Christmas (a lot). It also features a BBW and a hard-headed wolf-shifter along with humor, romance, love and smokin' hot sex. Sound like your type of book? Give this short a try. Remember that this is a follow-up to the previous PDA books. Enjoy.
