PERFECT ROMANTIC COMEDY - FUNNY - SEXY - MOVING - FRUSTRATING Von Bianca @BjsBBMY  
 THOUGHTS Kennedy is one of the 3 owners of KINNECTIONS - a matchmaking agency in upstate New York. Her friend and business partner Kate found her HEA in the first book in the series SEARCHING FOR SOMETHING and now it's Ken's turn. Only, she's not really searching. She's happy with her sometimes-dating. Well, not happy - more content. She doesn't want to get too close to somebody, because she's afraid that they get to see the real her. Not the sexy matchmaker, but the sad and lonely fat girl she used to be in high school. Enter: NED - or rather Nathaniel Ellison Raymond Dunkle He's the proverbial NERD! A rocket scientist - even though that's not what you call them anymore - he's an aerospace engineer And since he just turned 32 and nobody really cared....he decides to finally go looking for more. He wants to meet a woman, get married, have kids. He doesn't want to be alone anymore. He starts doing research - by reading COSMOPOLITAN and FIFTY SHADES OF GREY and the KAMA SUTRA and now he's signed up for a speed-dating thing from Kinnections. He doesn't make the best first impression, though. First of all, his skin is orange!!! He didn't like this laboratory white skin-tone - and that's why he used some bronzing lotion. (way toooooo much) Then - he's way too honest and serious and socially filter-less None of the 20 ladies want to see him again. Challenge accepted! Thanks Kennedy. She decides to take him under her wing and turn him into the perfect guy. Unfortunately Ned, or Nate - as he's supposed to call himself now - is really attracted to his gorgeous matchmaker!!!! They seem to have sooo much in common! Will Kennedy finally let herself fall for someone? Will she be able to overcome her fears and give this nerdy guy a chance?? WILL THERE BE A HAPPY END? I'm not telling you that, of course I don't want to spoil your reading pleasure \_\_\_\_\_ I REALLY ENJOYED  
 READING THE BOOK I loved Jennifer's ^Marriage to a Billionaire Series^ - and this is the second book of the spin-off series. We even meet most of the old characters again And the book of Spells too! normally hate most things supernatural - but it's only this tiny little thing here - that It didn't bother me at all. This was such a sweet and adorable Romantic Comedy!!! I would LOVE to watch the movie I really want to see who they would cast for Nate There were sooo many funny and cute and sexy moments in this book. Some people might say it was a bit cheesy - fairy-talish Rom-Com cliché - but I really loved it. That's just the way you want your Romances to be!!! FUNNY - SEXY - MOVING - FRUSTRATING!!!! Of course not everything and everyone is always happy in this story - our characters have faced some real problems in their pasts and now it's time to work on them - to overcome all their fears and insecurities and fight for the love of their lives!!! I can really recommend this book to everybody who loves a sweet and fast-reading romance! You might even shed some tears - at least I did Oooohhh and all you Wolfe Fans out there (Me! Me! Me!!!) - we met him in the last books - he's in here too (in sexy Golf clothes!!!) - I hope we'll get to hear his story soon Can't wait for the rest of the series!!! Were there a few things I didn't like? Hm nope -not really. Mayyybe - like in the first book - Jennifer mentions lots of TV-Shows - which is weird since Nate is a nerdy workaholic who doesn't even watch TV - and wouldn't know those shows. Nothing else to complain about!!!! I really enjoyed it. GO GET IT! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein echter Probst eben. Von Leseratte73Zweiter Teil der Searching for - Reihe. Diesmal geht es um Kennedy und wow, hat die Frau Probleme. Nach außen hin stark und perfekt, leidet sie innerlich immer noch sehr unter dem, was sie als Kind erlebt hat und was ihr gesamtes bisheriges Erwachsenenleben geprägt hat. Doch dann trifft sie Nathan und Nathan stellt ihre Welt komplett auf den Kopf. Witzig fand ich, dass die Rollen hier mal komplett getauscht sind. Sie ist die sexy, unglaublich gut aussehende, aber beziehungs-scheue Karrierefrau und er der sympathische, gradehinaus, wenn auch etwas trottlige Nerd, der sich seinen Weg in ihr Leben bahnt und alles auf den Kopf stellt. Bonuspunkt war der Auftritt von Wolfe, von dem ich gern mehr lesen würde.

Kurzbeschreibung The highly anticipated second novel in the new Searching For series from Jennifer Probst, "one of the most exciting breakout novelists" (USA TODAY) a spin-off of the bestselling Marriage to a Billionaire series featuring a sexy matchmaker, and the rocket scientist who becomes her special project The up-and-coming matchmaking agency Kinnections is the hottest thing to hit Verily, New York just like Kennedy Ashe, social director for the service she owns with her two best girlfriends. A coach, consultant, and cheerleader rolled into one super-sizzling package, Kennedy creates dream dates, encourages singles to shine, and never refuses a challenge not even Nate Ellison Raymond Dunkle, rocket scientist, nerd extraordinaire, and Kennedy's newest client. Kennedy vows to work her magic and transform this hot mess in a lab coat with a disastrous relationship track record into the most wanted man on the Verily dating scene. If only she could turn the wand on herself though she radiates confidence and sex appeal, Kennedy harbors deep-seated insecurities from a tormented past and lifelong struggle with weight issues. When she realizes she and Nate are cut from the same cloth and might be perfect together, can Kennedy learn to let her heart lead the way? Or will her fears sentence her to the sidelines as Nate finds love with someone else? Pressestimmen "Jennifer Probst has solidified herself as one of my go-to authors with this novel. To me, her writing style is reminiscent of Bella Andre or Susan Mallery, full of passion fire, and with lighthearted moments perfectly balanced in with the serious. The way the scenes were set up, they completely wrapped me up in the

emotions of each character until I could understand exactly where they were coming from. Not an easy feat to accomplish, but done outstandingly well here." (Sara Harlequin Junkie, 5 Stars Top Pick)"This romance book is nothing but perfection. 5 Stars!" (Book s: The Good, The Bad, And The Ugly...)"Searching For Perfect is the modern day fairy tale of Beauty and the Geek. This story was so wonderfully written and captivated me from the first page to the last. Jennifer Probst has created yet another masterpiece in this read. I cannot recommend it enough."
