Exciting readVon Eliza132These stories are very well written, good storyline, loveable characters, a strong and independent heroine and a tough, but gentle hero, there to save his lady. What you'll find in these stories; a cast of impressive and engaging characters, fabulous humor, outstanding story-lines, picturesque, enchanting and powerful vivid scene descriptions, gripping suspense, perilous danger, life-threatening moments, soul wrenching confessions, emotions spiral, earth-shattering heart-throbbing sensual romance, and magnificent heart melting conclusions that leave you wanting more. UNCHARTED-Book 1 {continuation from Off THE CHARTS}. This story focuses on JULIE STEFFENS, a sexy, intelligent, beautiful researcher; SETH COOPER, a hot, strapping, intelligent, sailor of the world. Julie has just finished her research in Guatemala and is on her motorcycle headed back to Belize, when she realizes she is being chased and fired upon. She makes it to Belize unscathed, and is hiding out in the Coco Loco Caf; while hiding out she runs into Seth who helps her escape the danger chasing her; Seth is thrilled he has found Julie, has some explaining to do too, but protecting her is his first priority. SPECTACULAR READ- Had me hooked from the first line. I laughed, shed a few tears loving every minute. The romance between Seth and Julie is blazing hot and filled with unwavering devotion. You can't help but love and cheer for the characters. ENTANGLED-Book 2 This story focuses on CARA LEONI, a sexy, audacious, independent beauty; TOBIN COOPER who has a smile to die for, a voice that melts the soul, and Cara's ex-fianc. Cara has been sent by her company TeleCel to the Tucumba jungle to get a cell phone contract signed by the Chief of the village; the Chief is holding her captive with no means of escape, reasons unknown to her. Tobin has been sent to Tucumba by his cousin Meredith to rescue Cara. It has been six years since he has seen Cara, and hopes he can woo her back into his arms and start over. INCREDIBLE read with an intriguing plot, spine-tingling action, and breathtaking scene descriptions keep you glued to the story from start to finish. The romance sizzles to a slow passion burn. Tobin personifies fearlessness; he is priceless and a most valiant hero. This story had me on the edge of my couch, a most gratifying read. Both stories are fast paced and well written by a truly gifted author. I have no doubt that you will find them most entertaining. {I was gifted these books and this is my completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I recommend this set.

Kurzbeschreibung Two exciting stories in one red-hot volume. Twice the adventure, twice the romance! Love is always an adventure, but these exotic and exciting stories ramp up the action along the way. In Uncharted, Seth and Julie sail the reefs of Belize to escape a band of ruthless smugglers. In Entangled, Tobin and Cara are high in the jungles of Panama, considering a very long drop down a waterfall. There are quiet moments, too, as well as regrets, hopes, and second chances not to mention steamy love scenes along the way. What ties these stories together? The sailboat, Serendipity, which a wise grandfather left to his grandchildren in his will. Each set of siblings from four groups of cousins gets their turn sailing the tropics aboard Serendipity. Come join them for fun, adventure, and romance in books 1 and 2 of the series, bundled together for an unbeatable discount price! * These are action-adventure romance stories with adult content. The perfect read for fans of strong heroines, alpha heroes, tropical islands, romantic escapes, jungle adventures, tropical beach vacations, travel romance, and comedy romance and of course pirates, swashbucklers, and rakish rogues! * Kurzbeschreibung Two exciting stories in one red-hot volume.
