**Von Monica Murphy : Second Chance Boyfriend: One Week Girlfriend Book 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Second Chance Boyfriend: One Week Girlfriend Book 2:

Kurzbeschreibung From New York Times bestselling New Adult author Monica Murphy comes the exhilarating continuation of Drew and Fable's story - the star-crossed young romance that began in *One Week Girlfriend*; perfect for fans of Jessica Sorensen, Abbi Glines and Jamie McGuire's *Beautiful Disaster*. Lost. Everything in my life can be summed up by that one sickening word. My football coach blames me for our season-ending losses. So does the rest of the team. I wasted two whole months drowning in my own despair, like a complete loser. And I lost my girlfriend - Fable Maguire, the only girl who ever mattered - because I was afraid that being with me would only hurt her. But now I realise that I'm the one who's truly lost without her. And even though she acts like she's moved on and everything's fine, I know she still thinks about me just as much as I think about her. I know her too well. She's so damn vulnerable, all I want to do is be there to help her...to hold her...to love her. I just need her to give me one more chance. We may be lost without each other, but together, we're destined to find a love that lasts for ever. Don't miss the rest of the intensely passionate *One Week Girlfriend* series: *One Week Girlfriend*, *Second Chance Boyfriend*, *Three Broken Promises*, *Drew + Fable Forever* and *Four Years Later*, as well as Monica's sexy *Fowler Sisters* trilogy and her breathtaking *Reverie* Series.
