everyone needs second chances Von witchflame Those book was different. Different in a good way. I loved the story, the twists and I really wanted to hurt summers mom. I can understand summer, as it is really unconventional to have 2 boyfriends. But I need more of the stories of midnight cove.

Kurzbeschreibung One curvy painter. Two sexy surfers. Sometimes love is better the second time around. Summer never thought shed see Blake or Devin again. When she stumbles into the wrong dressing room on the eve of her best friends wedding, everything changes. They might have shared one night of fiery passion, but shes vowed to put it behind her. Even if her heart disagrees. Blakes lived with the memory of one night for four years a few unforgettable hours tangled up with Summer and Devin and a glimpse at heaven. When Summer leaves her New York life for a weekend in Midnight Cove, its their second chance. Theyve got one weekend to convince her their unconventional love is just what shes been missing. With its stunning ocean views and men too sexy to resist, Midnight Cove has everything a curvy woman could want times two. Second Chance Summer is the first book in the Midnight Cove Mnage series of standalone, full-length novels. Cliffhanger free! Reader bonus!
