Einfhlsam und wunderfull geschriebenVon CustomerEin Kurzroman der sehr einfhlsam und mitfhlend geschrieben ist. Eine meiner Lieblingsautorinnen. KurzbeschreibungA short story about love, loss and finding love again.Ronin Eastland has lost his love of 12 years in

a drunk driving accident. Broken and devastated, Ronin retreats into his own world where he slowly succumbs to the pain of losing the only man he'd ever love. Maverick Holliday wakes up in a white room and finds out he's dead. If that's not bad enough, his twink-looking somewhat angel tells him he can go back to Ronin. There's just one catch- Maverick won't remember who he is. Sent back down to earth in the body of another man, Maverick Holliday--now Maverick Cruise, tends to the sick and needy-until a broken man winds up in his ER. Drawn to the widower, Maverick can't understand why he feels so close to Ronin Eastland. Will Maverick ever truly remember the love he and Ronin shared? Will fate bring them together for a second time around?
