Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Second Time Around Von Ein Kunde Fighting bitterness over the 8 wasted years since their broken engagement, both Emily and Kevin still have an unquenched love for each other. Carol Steward illustrates well the emotions on both sides and the underlying struggles of their unforgotten love. But it takes a child, not their own, to teach Kevin what is most important in life. You'll want to read the book in one sitting.

Kurzbeschreibung ANOTHER CHANCE Kevin MacIntyre's heart stopped when he saw his ex-fiance, Dr. Emily Berthoff, at his best friend's wedding. She was more beautiful than ever and nothing had changed. His bitterness over her departure was still strong and so was his love. Emily Berthoff had taken a job back home to be closer to her family. And though she knew running into Kevin was inevitable, she was startled to find her feelings for him were more powerful than before. The love that had haunted her all these years was still there. But could they forgive one another and start again?

Autorenkommentar This is a light-hearted story of love and second chances. Sometimes love comes when you least expect it, and sometimes it's been there all along. When builder Kevin MacIntyre and doctor Emily Berthoff meet again at a friend's wedding, tempers flare, determination escalates, and the past is an obstacle waiting to be chiseled away. He's struggled to forget the one woman that walked away. She wants the man she used to love. Can God tear down the walls between them and find a love that is even sweeter the second time around? Kevin and Emily came to life in my first book, *There Comes a Season*. I'd never met such an unlikely match in the 'real' world. Then into my life walked a warm and wonderful couple who fit this description. They were kind enough to help me through some of the technical areas of the book, for which I'm eternally grateful. I hope that you find Emily and Kevin's story fun, uplifting, and entertaining. Let me know if it fits the bill. All my best, Carol.
