Wonderful book to snuggle up on the couchVon Lara BacheA romantic story as one can only wish for! I read this book even faster than i usually do; the characters are well developed and I couldn't wait for the two of them to get

together :-) I want more of these books! This one was just perfect for rainy evenings to be spent on the couch, with a cup of tea and snuggled up underneath a blanket. More of these, more, please!

Bare beginner-Von mocooWie auch in ihren anderen Bchern reit S.G, Lovell ihre Leser mit und taucht mit ihnen in ihrem neuen Roman "Bare Beginner" ein in die Poledance-Szene. Ein wunderbar romantisches Buch, empfehlenswert von der ersten bis zur letzten Seite!
