**Von Megan Derr : Seconds (Deceived Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Seconds (Deceived Book 2) (English Edition):

KurzbeschreibungCalled to the be the second to a young, rash duelest, Alexis seeks out the appointed second of the challenger. But the man he expects is not the man he encounters, and Alexis finds himself thinking of things vastly more interesting than settling challenges put forth by hot-headed young men, things that heat his own blood and which he thought well in his past... Note that this book is a free read offered by Less Than Three Press. We are working to price match this book to the \$0.00 price offered at other retail locations.
