KurzbeschreibungFor Kristen McCann, her best friend's wedding brings out desires she can't ignore. No, it's not a boyfriend she's after--her needs are too immediate for that. After a year of recovering from a disastrous relationship, all she craves is a good, hot, short fling. When Trey Andrews learns that the beautiful bridesmaid at his friend's wedding considered him, then scratched him out, as a possible one-night stand, he just has to change her mind. As a dyed-in-the-wool bachelor, someone as attractive and fun-intentioned as Kris is perfect for him. But Kris has a bad habit of falling for playboys, and Trey's past is enough to put him off relationships forever. How can they grab the chance at a liberating future when painful experiences and memories of betrayal stand in their path?*****Each book in the Secret Dreams series is a complete stand-alone novel that would give you enjoyment on its own. However, to enhance your experience of this series, the author recommends reading them in order. Book 1: Secret Words (Jasmine Allen and Kane Summers) Book 2: Secret Designs (Ari Mitchell and Dylan Summers) Book 3: Secret Moves (Kris McCann and Trey Andrews) Book 4: Secret Tastes (Samantha Lane and Adam Craig) (This book is for adults only. It contains hot sexual content.)

ber den Autor und weitere Mitwirkende Miranda P. Charles is the author of more than twenty steamy and stirring contemporary romance novels. She prefers to spend her time in front of her laptop, putting into words the love stories that play in her head. Don't get her started with reading a great book, though, because she has the tendency to not put it down until she gets to the last page. She does have a life outside of books. Mostly, that consists of bonding with family and friends or going on romantic trips with her awesome husband. Oh, yeah, there's also the housework. But she really wishes someone else could do that for her so she could get back to her books! She lives in the beautiful city of Sydney, Australia. Connect with Miranda!
