Von Diana Peterfreund : Secret Society Girl: An Ivy League Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Secret Society Girl: An Ivy League Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooMeet Amy Maureen Haskell, a junior at prestigious Eli University. As editor-in-chief of the campus literary newspaper, Amy's a shoe-in to be tapped for Quill Ink, the literary senior society, home to

writers and scribblers of any and all degree. After all, it's a part of her master plan: get tapped into Quill Ink, do her summer internship at Horton, make it through the Russian Novel class, decide what to do with her "friend with benefits," Brandon, and, basically, enjoy a fulfilling life as a literary genius. Except things don't quite work out that way. Amy is tapped to join a society all right, but she learns pretty quickly (all the guys in black robes hidden in shadow give her a clue) that it isn't Quill Ink who is interested in her. No, she's been tapped by Rose Grave, the mother of all secret societies on Eli's campus. Except that doesn't make sense either, as Rose Grave is a society of men only. The fact that Rose Grave has decided to allow women into their society is just the beginning of Amy's junior year. She's heard so many rumors about the "Diggers" over the years that she doesn't know what is fact and what is fiction. Does Rose Grave really run the country? Is every presidential candidate a member? Do they control the media? Is Rose Grave funded with unlimited money from the world's biggest CEO's and business founders? Are you really supposed to leave the room if someone so much as utters the words Rose Grave, and yet wear a Rose Grave pin on your person at all times? It's all very confusing for Amy, and it only gets more so after her initiation. Given the ultra-cool (not) name of Bugaboo, Amy is now in a secret society, which is great. Except she can't tell anyone that she's a member of Rose Grave, never mind what she does during their meetings. There are some members of the Diggers who aren't thrilled to have women in their ranks, and that spells major trouble for not only Amy and the other members of class D177, but possibly for the entire Rose Grave society. SECRET SOCIETY GIRL is a blast! Fun and witty, with an engaging theme, heartfelt situations, intriguing dialogue, and a cast of characters that you'll be cheering for, it's a story you won't want to put down. Thankfully, there's another book coming in this series, so I have something to look forward to. As it is, though, I can't wait for another look into the lives of not only Bugaboo, but some of my other favorite characters--Angel, Little Demon, and Puck. Not to mention being able to catch up on the lives of the graduating class members such as Poe and Lancelot. You won't go wrong picking up a copy of this clever, imaginative story. Reviewed by: Jennifer Wardrip, aka "The Genius"

Kurzbeschreibung Fans of Cora Carmack (*Losing It*) and Tammara Weber (*Easy*) will devour the original New Adult novels: *Secret Society Girl*, *Under the Rose*, *Rites of Spring (Break)*, and *Tap Gown*. At an elite university, Amy Haskel has been initiated into the country's most notorious secret society. But in this power-hungry world where new blood is at the mercy of old money, hooking up with the wrong people could be fatal. Eli University junior Amy Haskel never expected to be tapped into Rose Grave. She isn't rich, politically connected, or . . . well, male. So when Amy is one of the first female students to receive the distinctive black-lined invitation with the Rose Grave seal, she's blown away. Could they really mean her? Whisked off into an elaborate initiation rite, Amy awakens the next day to a new reality and a whole new set of "friends"--from the gorgeous son of a conservative governor to an Afrocentric lesbian activist whose society name is Thorndike. And that's when Amy starts to discover the truth about getting what you wish for. Because Rose Grave is quickly taking her away from her familiar world of classes and keggers, fueling a feud and undermining a very promising friendship with benefits. And that's before Amy finds out that her first duty as a member of Rose Grave is to take on a conspiracy of money and power that could, quite possibly, ruin her whole life. From the Hardcover edition. From Booklist The exploits of Ivy League secret societies have provided healthy fodder for writers. Peterfreund is the latest to go inside the exclusive clubs, albeit with a romantic twist to her plot. Amy Haskel is a junior at prestigious Eli University, the unassuming editor of the literary magazine and a self-described commitment-phobe. When she's "tapped" by the most elite and mysterious society on campus, Rose Grave, life takes a turn for the bizarre. Soon she's swilling champagne with the sons of senators and CEOs, and keeping secrets from her roommate and her not-quite boyfriend. This is the first in a planned *Secret Society Girl* series, and Peterfreund leaves some loose ends to entice readers to pick up her next installment. The story is frivolous but fun to read--full of quirky characters and situations. It's bound to appeal to readers looking for entertaining escape and college humor. Aleksandra Kostovski Copyright American Library Association. All rights reserved. Pressestimmen "Peterfreund's descriptions of the ambitious Amy Haskel's collegial life are both vivid and amusing." *The New York Observer* "Readers will cheer on the not-so-underdog as she faces disgruntled male alumni and finds that membership does indeed have privileges." *Tampa Tribune* "A fun, breezy, beach-perfect diversion with a myriad of cultural and intellectual references to everything from *Eyes Wide Shut* to Aristotle's *Poetics*." *Winston Salem Journal* From the Hardcover edition.
