**Von Nora Roberts : Secret Star** before purchasing it in order to gage whether or not it would be worth my time, and all praised Secret Star:

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. A great end to a great seriesVon Ein KundeI found all three of the Stars of Mithra series in a bookcase at my local library that sells unmarked paperbacks for 15-cents apiece. Talk about buried treasure! I got a great trilogy for 45-cents!Secret

Star is definitely my favorite of the three. The first two were great, but Seth's and Grace's story was the topper. Seth and Grace were definitely the most dynamic couple of the three (although I certainly also enjoyed Cade and Bailey and Jack and MJ). Seth went from a rules-are-my-life, police-have-all-the-answers, can-do-it-all, know-it-all uptight jerk to a lovely man capable of learning from his mistakes and admitting that he can use help, even from a PI and a bounty-hunter. With Grace, Nora Roberts peeled away the layers of her personality and showed that her gold-plated exterior shields a big-hearted, vulnerable woman you'd love to have for a friend. On the downside, I thought it unnecessary to allude to past lives and previous adventures with the Stars of Mithra (much more pronounced in this conclusion than in the first two books) and felt that the race to protect the jewels and unmask the villain and his cohorts could have stood on its own. A once-in-a-lifetime adventure appeals much more to the romantic in me than the silliness and fantasy of past lives. Fantasy fiction has its place, and I do enjoy it, but I don't like it unnecessarily mixed into what should be purely contemporary adventures. But that's nitpicking. Overall, this series is a great read and I highly recommend it. Great work, Nora!

2 von 2 Kunden fanden die folgende Rezension hilfreich. awful Von Ani This book by N. R. was quite awful. The characters were totally unbelievable. Grace is misunderstood by everyone but of course there is a loving but lonely person inside her who only waits to be awakened. The story is very thin and the bits of mythology added to the story only make it more boring. I'd suggest you read "Carnal Innocence" instead, that's one of my favorites.

2 von 3 Kunden fanden die folgende Rezension hilfreich. Great One! Von BooksBooksBooks I like this book best in the series. It is so much fun to read. Robert's really knows how to create suspense and keep it moving to the very end.

Kurzbeschreibung MURDERED MILLIONAIRESS He was standing face-to-face with a dead woman and she was holding a gun. Lieutenant Seth Buchanan's homicide investigation and his heart were thrown into turmoil when Grace Fontaine turned up very much alive and in possession of one of the huge blue diamonds known as the Stars of Mithra. The cool, controlled cop never let his feelings get in the way of his job, and everything he knew about the notorious heiress told him she was poison. But in her irresistible presence it was hard to remember there was any mystery more important to solve than that of Grace herself.

Book #3 of THE STARS OF MITHRA series. Nora Roberts is a publishing phenomenon; this New York Times bestselling author of over 200 novels has more than 450 million of her books in print worldwide. Praise for Nora Roberts 'The most successful novelist on Planet Earth' - Washington Post A storyteller of immeasurable diversity and talent - Publishers Weekly. de Lieutenant Seth Buchanan is investigating a murder scene when the supposed victim walks through the front door. Grace Fontaine is even more beautiful in person than she is in the portrait over her mantel, and Seth knows that she means trouble. But he's a cautious man, long accustomed to guarding his heart, and he's determined to continue the practice. Grace, however, has other ideas; Seth is the man she's been waiting for through all the long, lonely years she has spent as an unbelievably rich, impossibly beautiful child and woman. Thrown together by Seth's determination to solve the murder, the theft of three incredible diamonds, and the imminent threat to Grace's safety, the two struggle with the passion and the bond that pulls them together. Nora Roberts is a master at spinning a tale, and she doesn't miss a beat in this novel of love, murder, mystery, and obsession.

Pressestimmen 'You can't bottle wish fulfilment, but Nora Roberts certainly knows how to put it on the page.' - New York Times 'Everything Nora Roberts writes turns to gold.' Romantic Times 'Roberts' bestselling novels are... thoughtfully plotted, well-written stories featuring fascinating characters.' - USA Today
