Sehr gutes Buch!Von CustomerIch habe lange gezögert, dieses Buch zu bestellen, da ich im Internet nur wenige bzw. nicht sehr positive Bewertungen gefunden habe. Am Ende habe ich aber doch auf mein Bauchgefühl gehört und dem Buch eine Chance gegeben - zum Glück, denn es hat mir sehr gut gefallen.Penny und Ethan arbeiten zusammen und anfangs kommt es zwischen den beiden immer wieder zu Zusammenstößen bzw. Missverständnissen, weil beide zu stolz sind zu sagen, was jeweils wirklich los ist (ich gehe hier nicht ins Detail, um nicht zu spoilern). Als beide dann anfangen offen miteinander zu reden und umzugehen, verstehen sich die beiden immer besser und entdecken ihre Gefühle füreinander.Tolle Story, super Charaktere und ein wunderschönes Happy End!

Thrilled to be able to put down her answer, she put writer. Then it asked what Carol did for relaxation and she put down the truth - writing. The third question asked for her hobbies. Well, not wanting to look obsessed she crossed the fingers on her hand and answered swimming but, given that the chlorine in the pool does terrible things to her highlights - I'm sure you can guess the real answer.
