Up For The HEROINE! Von Ein Kunde Slade and Regina attracted to each other right away and the story develops when they get together and the problems that evolve of their coming together. I thought Regina was real brave in the story. She was willing to fight for her love for Slade from the beginning to the end. She deceives Slade into marrying her only because she did not want to lose him to the real Elizabeth. Only when she realizes that Slade runs out on their marriage did she want to end it. At the end, she was the one that convinced Slade that he was wrong in thinking she could not live a hard working life. I thought it made the hero look weak in the story. And Slade was also running away the marriage because he did not want to fall in love with his brother's fiance and to end their attraction toward one another. At the end where Slade and Roy make up was also due to Regina's interference. I thought Slade was brave only when he refused to divorce Regina and tried to win her love back. It was well worth to read. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Brenda Joyce is the best!!! Von Ein Kunde This is one of the better Joyce books in the Bragg series.

Kurzbeschreibung For scorching sensuality and raw passion, Brenda Joyce is unrivaled. Romantic Times Brenda Joyce has a well-deserved reputation as one of the most sensuous voices in historical romance fiction. Anyone who doesn't know it yet certainly will, once they are privy to Joyce's steamy and sensational Secrets. This classic tale of duty, desire, and temptation from the New York Times and USA Today bestseller is back for a new generation to savor and her intriguing story of an English earl's daughter who has lost her memory and the rugged, breathtaking stranger compelled by honor and passion to wed her, will live in readers' hearts for all time. From Publishers Weekly This bodice-ripper, set in turn-of-the-century America, has all the subtlety of a cartoon. Regina Shelton, whose daddy is an English earl, is traveling by train through central California on an extended holiday from which she'll return home to marry a man of her father's choice. Masked bandits intrude; one clearly has his eye on more than Regina's pearls. What's a virginal aristocrat to do? She hurls herself from the speeding train, winding up in the dust with a case of amnesia, a new identity and powerful sexual longings for her rescuer, one Slade Delanza, heir apparent to a financially troubled rancho. Slade is boorish and temperamental, but his body stirs the delicate Regina. "He was not really a big man, but every inch of him was sculpted muscle," rhapsodizes author Joyce (Violet Fire) just before Slade removes Regina's rain-drenched corset. Slade's treatment of Regina is atrocious, but the poor guy is troubled by memories of his older half-brother, a mother who abandoned him and a scheming father whose approval he desperately seeks. At novel's end, Regina not only stands by her man, but also gives him her inheritance. Go figure. Copyright 1993 Reed Business Information, Inc. Pressestimmen "For scorching sensuality and raw passion Brenda Joyce is unrivaled."-- "Romantic Times"
