Bauer, Liam Neeson and Kevin Costner into one, and you have focussed, hard-edged, ex-special forces agent, Nathan Regan. I was just blown away by Security. When my Kindle threw a wobbly, I took my iPhone to bed, that's how much I couldn't put it down. The characters are real, multifaceted, damaged people you absolutely root for. Even in Autumn Raine - international singing sensation at the height of her career, spoiled, pandered to and 'adored', we soon glimpse a vulnerability which has us on her side. A kidnap threat has Autumn whisked away from her life of haute cuisine, of which she consumes little, and luxury living at the grandest hotels to pizza in a place she wouldn't be seen dead in - in the company of someone she would be seen dead with. Nathan Regan charged with Autumn's security is, on the surface, rough, rude, ruthless and angry. He's a professional, he has a job to do and he's going to do it to the best of his ability. He's no time for spoiled, little rich girls throwing tantrums. Though he's haunted by ghosts from his past, Nathan's training has helped him develop a tough emotional armour. Even when he glimpses the fragile, caring woman underneath the superstar persona, he's not going to let it distract him. Is he? I can't say anymore for fear of spoilers. However, I simply have to add that the supporting characters are every bit as enticing. Tawanda is just the perfect foil between the hero and heroine. Oh, and the love scenes... Wow! Enough said. You simply have to read it. Mandy Baggot is on a winner here. Security is fabulously written. You think you know what to expect, you get a whole lot more. This is a book that is hugely satisfying and highly recommended! 0 von 0 Kunden fanden die folgende Rezension hilfreich. not to my expectation Von strathspey64 Reading all the 5 star comments about this book, I really wonder if we all read the same book! the plot is not very believable and the main characters change their attitude which each chapter.

Kurzbeschreibung For fans of Patricia Gibney, Andy McNab and Casey Kelleher "Take the best of 24, Taken, and The Bodyguard and you have Security." Espionage, organised crime and terror threats. This is one page-turning suspenseful thriller 'An EPIC story full of twists and turns! Best Book of The Year so far!' 'A heroine who grows on you, a hero to fall madly in love with, an action packed passion fuelled storyline that grabs you and takes you along for the read.' 'There is romance, adventure, suspense, and ups and downs that have your heart racing and pulse pounding' Autumn Raine is a pop vocalist at the very top of her game. She's a style icon, the paparazzi's darling and everyone wants to be her friend. But when her safety is threatened, her whole life starts to unravel... and the police cannot know. Enter Nathan Regan, an ex-elite SAS soldier who is assigned to protect her. He's a good man doing bad things but what drives him? Passion? Madness? Or grief? Dark demons from his past are threatening to consume him. Can he win the fight alone or will he have to admit he needs help before the body count rises? As the terror threat deepens, Autumn starts to find out who she really needs in her life. Is there still room for personal assistant Janey or boyfriend Rockweiler? When everyone around her is feeding her lies, how does she work out the truth? Does her record producer know more than he's letting on? What is her politically motivated mother, the British Foreign Secretary's involvement in the situation? And can Autumn put her faith in a forty-something Jamaican woman who handles an automatic weapon as expertly as she cooks? Eluding kidnap and trying to stay alive, can Autumn find the strength to be the person she longs to be? And can two people, poles apart, forge something strong enough to survive anything? Fans of B A Paris and K L Slater will be kept on the edge of their seat!
