FantasticVon Philomena(Cheekypee)This is certainly not what I expected for a 0.5 book. I thoroughly enjoyed this story. I was expecting it to be a teaser but with over 160 pages it was certainly a great book on its own.Jack Falcon is

hot, hot, hot. The story is based on Jack. He's a messed up guy that's afraid to fall in love. The twists in it had be gob smacked!!!!I totally enjoyed this book highly recommend it.I'm so looking forward to reading 'Beautiful Rose' the next in this series.Received in return for an honest review.
