Doomsday Brethren Seduce me in ShadowVon Bcherwurm73This is the second book in the series and also a great

read, that i can fully recommend. The storie continious on. One off the main caracters this time is Caden MacTavish an Ex Marine who has shunned his magical herritage all his life but he will do anything to heal his ill brother (a Domsday Brethren warrior in mourning his missing mate. When Caden meets Sydney Blair his world gets put upside down. Again the Diary plays an importand part in this storie and the evil power hungry wizzard is still causing trouble as he wants to get his hand on the diary. Well you just have to read it for youreself but believ eme this book is one that i found hard to put away. I don't want to get to deep into the storie as it would reveal to much and i doint want to spoil the funn for the rest off you out there that still have to read the book so take my word when i say a must have.
